2015 Wrap up-

We had a wonderful 2015 with Chicago SGNA! As always we

Volunteers always wanted!

Are you an organizer? A planner? Do you like throwing parties where everything comes together, and not just by accident? We have a job for you! You can be a planning committee member. If you like it, there can be an opportunity to be a board member!! Please email the president to express your interest. We will be having official volunteer applications starting in 2016.

Learning the job is easy, and all of the Board Members are flexible in their assigned duties. They collaborate and help when needed, according to their abilities. You CAN make a difference!

Please visit www.chicagosgna.org for info on scholarships to our regional and national conferences.
