

Spring/Summer Chicago SGNA Newsletter 2016

We had a great Spring Into GI conference at Edward hospital. We had a record 155 attendees!! Thank you to all that attended and to all the wonderful speakers! Please visit www.chicagosgna.org under past events tab for details.

Our board members Cindy, Amy and Cece , and other region members attended the National conference in Seattle! It was a wonderful time, and we learned a lot. Next year, we would like to see who is going from our region so we can meet for a picture and just get together.

Volunteers!!

Do you regularly attend our conferences? Do you like to be part of team that has fun and does meaningful things? You might be great as a volunteer on our BOD!! After volunteering for a year, you are eligible to serve in a BOD position- please email me with any questions or interest! cindyshong61@gmail.com
